

LEVERAGING OPUZ & SFG20 FOR COMPREHENSIVE FACILITIES MANAGEMENT

Ensuring Compliance, Efficiency, and
Peace of Mind

COMPLIANCE MADE EASY WITH OPUZ SOFTWARE AND SFG20

Opuz provides a centralised hub for scheduling, recording, and managing all building maintenance tasks, while SFG20's intelligent software solution Facilities-iQ brings a comprehensive library of legally compliant tasks and checklists. Together, they reduce administrative overhead, ensure your team meets the latest regulations, and maintain a high standard of maintenance across your facilities

WITH OPUZ & SFG20, YOU'LL SPEND LESS TIME WORRYING ABOUT COMPLIANCE AND MORE TIME DELIVERING VALUE ACROSS YOUR FACILITIES

Engineers can follow a consistent, high-quality task process, minimising mistakes and ensuring they always meet the latest compliance standards.
